## **Credit Course Updates:**

The catalog descriptions for **AGHE 60, AGHE 61, AGHE 65, AGHE 83A, AGHE 84B, and ASCI 51 (mirrored with VOC ASC51)** were updated to include the rabies vaccine requirement effective Spring 2024. The following language was added, "Students must provide documentation of up-to-date rabies vaccination series or titer prior to being enrolled, as required by BP & AP 5210 and requirements mandated by American Veterinary Medical Association. The cost for two-dose rabies vaccination is approximately \$850-\$1,050 (prices are subject to change), and both doses are required. Instructions on submitting documentation are available at <https://www.mtsac.edu/vettech/immunizations.html>. Additional information available at CDC information and AVMA accreditation policies."
