

# VOC: IN HOME SUPPORT SERVICES

---

This short-term vocational sequence prepares students to become personal care attendants in the home or in a health care facility. This program is specifically for noncredit students who are seeking training in the health field for immediate entry-level employment. Furthermore, this program will also provide foundational health skills for students to enter into more advanced health career programs such as Certified Nursing Assistant (CNA). A career development course is also provided to increase employability and work skills. Students must pass both core courses to earn the In Home Support Services Certificate of Completion.

## Program Learning Outcomes

- Students will be proficient in personal care tasks.
- Students will be employed or seeking employment in the field or a related field.
