

VOC: IN HOME SUPPORT SERVICES

This short-term vocational sequence prepares students to become personal care attendants in the home or in a health care facility. This program is specifically for noncredit students who are seeking training in the health field for immediate entry-level employment. Furthermore, this program will also provide foundational health skills for students to enter into more advanced health career programs such as Certified Nursing Assistant (CNA). A career development course is also provided to increase employability and work skills. Students must pass both core courses to earn the In Home Support Services Certificate of Completion.

Program Learning Outcomes

- Students will be proficient in personal care tasks.
- Students will be employed or seeking employment in the field or a related field.

Review Student Learning Outcomes (SLOs) (<http://www.mtsac.edu/instruction/outcomes/sloinfo.html>) for this program.

Required Courses

BS ABE05	Career Development
