

ADDICTION COUNSELING (AS DEGREE S0657)

Technology and Health Division Degree S0657

In this program the student integrates theory and practical experience in developing skills necessary to work with persons with addiction disorders, their families, and employers. The curriculum is designed to meet the credentialing requirements of the California Association of Alcohol/Drug Educators and the California Consortium of Addiction Programs and Professionals. Students who complete this option qualify for employment in a variety of addiction treatment settings.

This degree requires the completion of General Education (<https://catalog.mtsac.edu/programs/degrees-certificates/#gerequisitestext>) coursework plus the following:
