## Student Services

### (909) 274-4505

Mt. San Antonio College offers a number of support programs for students in all different types of situations. Whether you're a veteran, a foster youth, an international student, or a DREAMer, we have support programs designed to help you as you work to achieve your educational goals.

- Accessibility Resource Center for Students (<http://www.mtsac.edu/dsps/>) ("Access Center"), formerly known as (DSPS): Works to provide full and equal access to any facility, class, program, service, or activity on the Mt. SAC campus.
- Arise: (<http://www.mtsac.edu/arise/>) Mt. SAC's newest support program, designed to help Asian American and Pacific Islander students boost their academic performance.
- ASPIRE: (<http://www.mtsac.edu/aspire/>) Provides educational support to increase the academic success, degree completion, and transfer rates of African-American and other students.
- Bridge: (<http://www.mtsac.edu/bridge/>) Offers different learning communities to increase students' academic and personal success. Students participating in a learning community are enrolled in linked or clustered classes that are taught in a cooperative environment between instructors.
- CalWORKS: (<http://www.mtsac.edu/calworks/>) Provides educational assistance to students who receive cash-aid through Temporary Assistance for Needy Families (TANF).
- CARE: (<http://www.mtsac.edu/eops/care.html>) Is a supplemental component of EOPS that specifically assists EOPS students whom are single heads of welfare households with young children.
- DREAM: (<http://www.mtsac.edu/dream/>) The Dream Program provides services/resources to DREAMers (Undocumented Students) at Mt. SAC to ensure the students' success, personal growth, and development.
- EOPS: (<http://www.mtsac.edu/eops/>) Also known as Extended Opportunity Programs and Services, EOPS is a state-funded program that provides educational and financial support to eligible students who have historically experienced economic and educational disadvantages.
- High School Outreach: (<http://www.mtsac.edu/hso/>) Helps local high school graduating seniors successfully transition into life at Mt. San Antonio College.
- International Students: (<http://www.mtsac.edu/international/>) Visit this page to learn about the application process, support programs, and resources available for international students.
- REACH Program: (<http://www.mtsac.edu/reach/>) REACH is an educational program designed to assist current and former Foster youth. REACH provides assistance and support to our Foster Youth students in their transition into college, while attending Mt. SAC, and as they transfer to a University.
- TRiO: (<https://www.mtsac.edu/trio/>) The Federal TRiO Programs (TRiO) are federal outreach and student services programs in the United States designed to identify and provide services for individuals from disadvantaged backgrounds. Their existence is owed to the passing of the Higher Education Act of 1965. They are administered, funded, and implemented by the United States Department of Education. TRiO includes eight programs targeted to serve and assist low-income individuals, first-generation college students, and individuals with disabilities to progress through the academic pipeline from middle school to post-baccalaureate programs.
  - ACES (Student Support Services): (<https://www.mtsac.edu/aces/>) ACES strives to bridging the connection between high school and college. The goal of ACES is to increase the college retention and graduation rates of the participants and facilitate the process of transition from one level of higher education to the next. ACES provides intensive academic, personal, and career counseling to help you reach your post-secondary goals.
  - Upward Bound: (<https://www.mtsac.edu/upwardbound/>) Upward Bound prepares eligible high school students with preparation for post-secondary education. The program provides academic enrichment opportunities, financial aid assistance, higher education preparation, and exposure to career opportunities. Mt. SAC Upward Bound serves about 73 students from high schools in the Pomona Unified School District: Ganesha High School and Hacienda La Puente Unified School District: La Puente High School.
  - Veterans Services: (<http://www.mtsac.edu/veterans/>) The Veterans Services Department offers a number of programs and opportunities that provide economic and financial support for veterans and their family members.

## Enrollment Management

### (909) 274-4415

**Dr. George Bradshaw, Dean**

We are here to help you succeed!

## Accessibility Resource Centers for Students (formerly known as DSPS)

(909) 274-4290

**Malia Flood, Dean**

If you have a medical condition or disability that impacts your education, or think you might have one, join Accessibility Resource Centers for Students ("ACCESS" formerly known as DSPS). This office is committed to providing quality programs and services for students who have educational barriers because of a disability. Our mission is to promote equal access on campus. Registration status with ACCESS and any information you provide us will be held in the strictest confidence, and shared with only those whom you give us permission.

Based on individual, disability-related needs, services are directly related to the educational barrier the disability or medical condition causes.

Examples of some of the services are:

- Accessible Technology Center: Student Success Center (9E), an adaptive computer lab with accessible software and hardware solutions, study center
- Academic strategies classes to increase student success
- Counseling: Disability-related, academic, career, transfer, and personal counseling
- The Center (for deaf and hard of hearing): Sign language interpreters and real time captioners, study center, internships for SIGN students
- Classroom accommodations: Educational advising, priority registration, note taking services, accommodated classroom testing, equipment Loans, alternate Media, adaptive classroom furniture
- Transportation on campus: Tram service upon approval
- Puzzle Project: Specialized programming for students on the Autism Spectrum
- Assessments: Learning disabilities, cognitive dysfunction, communication disorders, accessible technologies

We invite you to come in and talk to us to see how we might assist you.
