

CARE COORDINATOR - LEVEL 2

Certificate of Completion #38106

Care Coordinator – Level 2 is a short-term program intended to prepare students to work in a health care facility or in the related home health care field. Students will learn about comprehensive care coordination from pre-admission to post-discharge, the challenges of respiratory illnesses, cardiovascular conditions, and orthopedic surgeries, and the impact on readmission. This program is specifically for noncredit students who are seeking training in the health field for immediate employment. Furthermore, this program will also provide foundational skills and training for students to enter into more advanced health training programs. Students must pass both core courses to earn the Care Coordinator – Level 2 certificate.

Program Learning Outcomes

- Students will gain employment as a Care Coordinator - Level 2 in a hospital, medical office or a care facility.
- Students will demonstrate job readiness skills.
- Students will progress through the health career ladder by enrolling in further allied health career programs.
