Total Units		27

¹ Documentation of tuberculosis (TB) clearance is required.

Program Learning Outcomes

Upon successful completion of this program, a student will:

- Use a wide array of developmentally appropriate approaches within the school-age care setting and understand the effects on the social, emotional, physical, cognitive, and cultural development of the school-age child.
- Be able to evaluate School Age Program regulations, standards, and policies.
- Understand and use a wide array of developmentally appropriate approaches, instructional strategies, and tools to connect with school-age children and support their school assignments.
- Analyze principles of human development theories as they specifically relate to the school-age child's growth and development.
- Understand the importance of developmental domains and academic content areas. Students will use their knowledge and other resources to design, implement, and evaluate schools age activities and curriculum.
- Be grounded in Child Development knowledge (theory) and use their understanding of young children and their needs to create environments that are healthy, respectful, supportive, and challenging for each school-age child.

- Be able to explore and evaluate community support services and agencies that are available to families, develop referral skills that help children and families access empowering community resources, and analyze effective advocacy skills that establish effectual public policies pertaining to children and families.
- Understand theoretical and practical implications of oppression and privilege as they apply to young children, families, programs, classrooms, and teaching. Various classroom strategies.

Review Student Learning Outcomes (SLOs) for this program.

Looking for guidance? A counselor can help. Looking for guidance? A counselor can help. This Guided Pathways for Success (GPS) is a suggested sequence of coursework needed for program completion. It is not an official educational plan. Schedule an appointment (<https://esars2012.mtsac.edu/appointments/counseling/eSARS.asp?WCI=Init&WCE=Settings>) with a counselor or advisor as soon as possible to create an individualized Mountie Academic Plan (MAP) specific to your goals and needs.
