

FASHION DESIGN AND TECHNOLOGIES (AS DEGREE S1320)

Business Division Degree S1320

The Fashion Design and Technologies Degree consists of apparel design courses that prepare students for careers in apparel manufacturing, production, and technical design. This program emphasizes technology used in the apparel industry and technical design. Upon completion of the program, students will be proficient in technical drawing, computer patternmaking, and apparel-related software. Students will gain hands-on experience in using industry-related software and develop advanced technical design and production skills.

This degree requires the completion of General Education coursework plus the following:

Required Courses

Course Prefix	Course Name	Units
FASH 8	Introduction to Fashion	3
FASH 10	Clothing Construction I	3
FASH 12	Clothing Construction II	3
FASH 14	Dress, Culture, and Identity	3
