

CALIFORNIA GENERAL EDUCATION TRANSFER CURRICULUM (CAL-GETC) (CERTIFICATE T0975)

Student Services Division

Certificate T0975

The California General Education Transfer Curriculum (Cal-GETC) Certificate is designed to certify a transfer student to a campus in either the University of California (UC) system or California State University (CSU) without the need, after transfer, to take additional lower-division general education courses to satisfy university general education requirements. It should be noted that completion of Cal-GETC is not an admission requirement for transfer to UC or CSU, nor it is the only way to full-fill the lower-division general education requirements of UC or CSU prior to transfer. A minimum of grade of "C" is required for all courses. (A grade of "C-" is not acceptable.)
