

HUMAN PROSECTION

Natural Sciences N0450

The Certificate of Achievement in Human Prosection will be awarded to students for the completion of a two-year series of courses culminating in a year-long experience prosecting human cadavers for use as anatomical specimens in our general anatomy courses. Students completing these courses will acquire a unique set of skills in planning and performing careful dissection of specific assigned regions, and advanced knowledge of the human body, its anatomical structure, and the organization and relationship of organs, tissues, and organ systems.
