

ILLUSTRATION LEVEL 2: ENTERTAINMENT ARTS EMPHASIS (CERTIFICATE T0970)

Arts Division

Certificate T0970

The Illustration Level 2: Entertainment Arts certificate provides students with the skillset to create concepts and illustrations for the entertainment industry including video games, film, and television. Students must complete the Illustration Level 1 certificate first requiring a total of 18 units and courses must be completed with a grade of C or higher. Focusing on visual communication and world building, students will generate a professional portfolio showcasing strong character design, perspective, props, and keyframes showcasing strong draftsmanship techniques for employment in the entertainment industry.
