ILLUSTRATION LEVEL 2: NARRATIVE ILLUSTRATION EMPHASIS (CERTIFICATE T0971)

Arts Division Certificate T0971

The Illustration Level 2: Narrative Illustration emphasis certificate expands students' visual communication and draftsmanship skillset. Students learn how to broaden their unique creative voice in both traditional and digital media while also experimenting with new styles and techniques to help expand their portfolio. Working with industry standard technology focusing on current illustrative trends provides the skillset necessary to begin a career in freelance illustration. Students must complete the Illustration Level 1 certificate first requiring a total of 18 units and courses must be completed with a grade of C or higher.
