

NURSING - LICENSED VOCATIONAL NURSE (LVN) TO REGISTERED NURSE (RN) OPTION (AS DEGREE S0957)

Technology and Health Division Degree S0957

The Mt. San Antonio College LVN to RN Nursing Program is approved by the California Board of Registered Nursing. The program is designed to prepare students to give direct nursing care to clients in various practice settings. The program consists of coursework in nursing, science, general education, and clinical nursing practice at local hospitals and health agencies. Graduates of the program receive an Associate in Science Degree in Nursing and are eligible to take the NCLEX-RN examination leading to licensure as a Registered Nurse.

The Licensed Vocational Nurse is provided career mobility in the Nursing Program. Enrollment in the Mt San Antonio College LVN to Registered Nursing Program is open to persons regardless of sex, age, marital status, disability, ethnic group, religion, or national origin. The Licensed Vocational Nurse may choose between earning an Associate in Science Degree in Nursing or completing the LVN 30-Unit non-degree Option which will not lead to a certificate or a degree.

Selection Process

Students applying for admission to the LVN to RN Option Nursing Program are required to see either a counselor or educational advisor to verify their eligibility to enter the Nursing program.

Procedure

Students must complete all course prerequisites prior to requesting an appointment for certifying readiness to enter into the Nursing program. Once eligibility has been established and the Admission Assessment Test has been passed, students will enter on a first come first served basis.

The Eligibility Appointment:

1. Once a student has completed all course prerequisites, they may request an appointment with a counselor or educational advisor to complete the career mobility eligibility form.
2. Students who have completed coursework at other colleges must bring the following information to their eligibility appointment:
 - a. Official transcripts of all college work completed at all colleges.
 - b. If the prerequisite courses were completed at another college, a course description and a copy of the course syllabus should be included in the documentation for eligibility.
 - c. Students completing college coursework outside of the United States will need to have their transcripts evaluated by an approved international transcript evaluation agency and must bring the final evaluation to their appointment (students may be able to obtain a list of agencies from the Admissions & Records Office).
 - d. Due to specific college deadlines for International Student application, please inform the Counseling/Educational Advisor that this applies to you.
 - e. All students will need to bring official proof of high school graduation, GED, or college graduation from an accredited institution in the United States.

Students should also be aware that once they have been admitted to the LVN to RN Option Nursing program and before beginning the clinical portion of the program, they will need to be able to pass a criminal background check, including screening by the Office of Inspector General for welfare or Social Security fraud, as well as testing negative for drug use.

ALL APPLICANTS ARE REQUIRED TO MEET THE ESSENTIAL FUNCTIONS FOR SUCCESS IN THE NURSING PROGRAM.

Physical Demands:

- Perform prolonged, extensive, or considerable standing/walking, lifting positioning, pushing, and/or transferring patients

- Possess the ability to perform fine motor movements with hands and fingers
- Possess the ability for extremely heavy effort (lift/carry 50 lbs. or more)
- Perform considerable reaching, stooping, bending, kneeling, and crouching.

- Successfully complete the Role Transition course to be accepted into the Nursing Program in the second semester.
