

RADIOLOGIC TECHNOLOGY

The Radiologic Technology program, which is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT), is designed to prepare students to function as certified radiologic technologists. Students will gain knowledge and understanding of the diagnostic uses of x-ray, as well as the technical skills to use x-ray equipment in both laboratory and clinical settings.

The Radiologic Technology Program is accredited by:
The Joint Review Committee on Education in Radiologic Technology (JRCERT) (<http://www.jrcert.org>)
20 North Wacker Drive, Suite 2850
Chicago, IL 60606-3182
(312) 704-5300

The program adheres to standards established by the JRCERT. Individuals interested in reviewing those standards and program compliance can visit: www.jrcert.org (<http://www.jrcert.org>)
