Program Learning Outcomes

Upon successful completion of this program, a student will:

- Feel that they have an increased possession of the skills required for entry-level work in the entertainment industry.
- Function in three types of production: Narrative (film-style), TV Studio, and live Remote Multicamera production in any role.
- Use communication, artistic, and technical skills to collaboratively create programs as part of a team in any role, from writer to editor.
- Use Avid Media Composer to the level necessary for an editing internship.
- Present an ePortfolio containing video and written work to prospective employers, universities, and scholarship committees.
- Apply aesthetic and technical skills in telling a story visually.
