

COUNSELING, ADVISEMENT & ORIENTATION

Visit New Student Orientation (<http://www.mtsac.edu/counseling/orientation.html>).

Counseling Center services are provided to enrolled students who are in need of additional assistance regarding course selection, major selection, and transfer information and planning. Students are encouraged to meet with a counselor during their first semester of enrollment to develop a Mountie Academic Plan. The Mountie Academic Plan lists the courses needed to complete a specific major, as well as identifying graduation and/or transfer requirements in general education.

Students who are undecided about their major and/or career and educational goals, should make an appointment with a counselor. Career counseling services are available to students at no cost, to assist students in making the most appropriate choices about their future.
