

STUDENT SERVICES

Student Services Departments and Programs

We are so pleased to have you as a student at Mt. SAC! In Student Services, our vision is, "Your Success, Our Passion." We are here to serve and support you in your educational journey.

This catalog is a resource to help you to be successful as a student at Mt. SAC. There is a lot of information about services, programs, activities, and policies and procedures.

Every student at Mt. SAC needs to have an educational plan, called a MAP – Mountie Academic Plan. Counselors work with you to develop your MAP which maps out all the courses and requirements needed for you to reach our goals.

What if I'm unsure about my major or my educational goal? We are also here to help you with this! We encourage you to meet with counselors and support staff, and to enroll in Counseling classes.

What if I don't have enough money to apply for my fees and books? Most students qualify for a fee waiver and federal grants. Don't get discouraged! We have friendly staff who can help you to complete all the requirements to qualify for fee waivers, grants, and scholarships.

A wide range of student activities are also available for students: Associated Students government, over 60 student clubs and organizations, and student leadership development activities. Students are encouraged to participate in campus life by engaging in student services and becoming involved in campus activities.

As a Mt. SAC student, we encourage to seek out assistance in our many Student Services and Academic Support Centers (tutoring centers). Mt. SAC has been distinguished as having more support services for student than any other community college in California.

Best wishes in the 2024-2025 academic year!
